

# Careers at MSIOM

Moore Stephens Isle of Man  
HR Services

PRECISE. PROVEN. PERFORMANCE.

## Opportunity

Moore Stephens recognises that our growth and future success will be driven by the quality of our people. We are committed to developing your career by:

- offering structured training both for recognised professional qualifications and management skills necessary to drive the firm's business forward;
- providing you a new and challenging environment where your skills will be nurtured; and
- offering clear promotion prospects and opportunities to broaden your knowledge through secondments within the firm.

## Size

The Moore Stephens International association is now one of the leading international accounting and consulting associations outside the 'Big 4', comprising 626 offices of member and correspondent firms in 103 countries worldwide, involving over 26,290 partners, principals and staff.

## Location

Moore Stephens Isle of Man is the fifth largest firm of chartered accountants in the Island and operates from 26-28 and 32 Athol Street, and 4 Upper Church Street, Douglas.

## Remuneration

Your contribution to the firm will be recognised and valued through a highly competitive reward structure that retains talent in-house and makes the firm the competitive organisation it needs to be to achieve its objectives.

Moore Stephens Isle of Man offer a broad range of fully-integrated services that include audit and the traditional accountancy support such as tax and financial reporting, but increasingly risk management and specialist sector knowledge such as shipping or insurance.

With an extensive service portfolio we can offer careers in:

- Accounting
- Audit and Assurance
- Corporate Pensions and Personal Retirement Solutions
- Corporate Recovery
- Fiduciary
- HR and recruitment
- Information Communications Technology
- Insurance brokerage
- Investigations and Forensic
- Marketing
- Taxation Advice and Compliance
- Business Consulting
- Wealth Management and Financial Planning
